Output –

A. Initial Landing Page –

The image shows the initial landing page of a web application titled "Countdown Timer". The page has a light blue background with rounded corners. At the top, the title "Countdown Timer" is displayed in a bold, dark blue font. Below the title, the user's information is listed: "Name: Soumitra Kode", "Roll No: 42134", "Div: BE-06", and "Batch: P6". Underneath this, there is a label "Enter end date and time:" followed by a text input field containing the placeholder "dd-mm-yyyy --:--". To the right of the input field is a small calendar icon. Below the input field are two blue buttons: "Start Countdown" and "Reset". At the bottom of the page, the countdown time is displayed in large, red, bold digits: "0d 0h 0m 0s".

B. Set and Start Countdown –

The image shows the "Set and Start Countdown" page of the web application. The layout is identical to the initial landing page, but the input field now contains the date and time "02-10-2025 02:45". The countdown time at the bottom has updated to "4d 2h 59m 6s" in large, red, bold digits.
